We at Airport Revenue News are excited that you will be exhibiting with us next year at the ARN 2015 Revenue Conference & Exhibition in San Diego.

As a way of introducing you to attendees, we include an exhibitor profile in the March issue of the magazine, which will be distributed at the conference. Please note: This is at no additional cost to you. In order to keep the profiles consistent, we ask that you answer the following questions; company profiles are written based on those answers.

1. Please give a brief description of what your company offers. For this, we are looking for something factual and not promotional; for instance, if you are a restaurant, it could say something like, "We offer sushi, Greek food, fudge, specialty coffees and protein shakes."
2. Where is your company's headquarters?
3. How many airport employees does your company have?
4. How long has your company been doing business in airports?
5. How many airport locations do you have, and in how many airports (for instance, eight locations in six airports)?
6. Please include a copy of your company logo in either EPS or Adobe Illustrator format.

Please send the above information by Oct. 17 to Jamie Simon at jamie@airportrevenue.com. If you have any questions, please feel free to call her at 561-697-4631.

Again, we look forward to seeing you in March in San Diego!

Sincerely,
ARN Staff
